CALL FOR PAPERS

**The 2nd Annual Australian Geothermal Energy Conference and Trade Show
Hilton Brisbane on 10-13 November 2009**

First and Only Call for Papers

The 2009 Australian Geothermal Energy Conference is seeking extended abstracts on the following themes:

- National Outlook
- Exploration
- Underground Science and Technology
- Power Conversion Technologies
- Legislation, Policy and Infrastructure

This is the first and only call for extended abstracts. Extended abstracts must be submitted by 12 June 2009 and are expected to be 4-6 pages in length, using the template provided and conforming to the instructions detailed on the conference website. Submitted abstracts will be reviewed by the Technical Committee.

Please note that the submission and selection of a paper is an indication of a commitment to attend the conference. If a paper is selected at least one author must attend the 2009 Australian Geothermal Energy Conference to present the paper, and will be required to register at standard rates.

Timetable

Abstract submissions close	12 Jun
Notification of acceptance	20 Jul
Final revised abstracts due	17 Aug
Presenter registration due	25 Sep
PowerPoint presentations due	23 Oct

Instructions for Extended Abstract Submission

Please visit the 'abstracts' page of the conference website at www.ausgeothermal.com for full details.

In summary, submissions must:

- Use the Microsoft Word template provided
- Include figures submitted as separate files in addition to embedding in document
- Ensure the extended abstract is edited and reviewed before submission
- Complete the Author's Checklist
- Email submission to geothermal@ga.gov.au

Further Information

For further information please visit the conference website. To receive updated information as it is released, please complete the online Expression of Interest form.
