Features of the Conference

Wide range of speakers from Local Government, Industry, Contractors, Consultants and other fields;

Concurrent sessions to allow delegates a wider range of topics;

Discussion Forums to facilitate information sharing and thorough coverage of the issues;

Workshops focussing on specific topics;

Equipment Demonstrations and Trade Displays to provide delegates with hands-on knowledge, and;

Social events which will create even more networking opportunities!

Finally, what a great location for a Conference and Trade Exhibition!! The stunning setting of Novotel Opal Cove Resort at Coffs Harbour is inspiring and provides top quality facilities at reasonable rates.... so you can enjoy the area while you are working!

Trade Display Features

Waste 2002 has been structured to allow **two full days of exposure** for exhibitors. The program includes full 30 minute morning and afternoon teas and an hour long lunch on both days. An exhibition opportunity has also been provided with the Conference Welcome Reception and Trade Display Preview on the evening of October 15th.

A comprehensive trade display will feature in the morning and afternoon tea area, which is adjacent to the entry to the conference rooms. This means delegates are a **captive audience** for potential sponsors and exhibitors.

The price quoted for **sponsorship provides for:**

- ➔ A quality velcro-compatible booth of 1.7m deep and either 2.4m (standard) or 3.3m (large) wide;
- ➔ Two spotlights and a 4-amp power point, and;
- ➔ A fascia with your company name.

As a sponsor, you will be entitled to a list of all delegates attending Waste 2002, as well as a copy of the Conference Proceedings. Both these will undoubtedly be useful for future reference.
